U2: Let Them Be - The Second Chapter
MVD Entertainment Group
PO Box 280, Oaks, PA 19456
\$26.95 www.MVDvisual.com 1-800-888-0486

U2: Let Them Be - The Second Chapter is a two-DVD documentary chronicling the second half of the history of the popular band U2. Rising to popularity in the 1980s, U2 revitalized itself in the twenty-first century. Let Them Be - The Second Chapter blends interviews with the band, rare and previously unseen footage, archival film material, and much more. Although Let Them Be - The Second Chapter is not authorized by U2, their management, or their record company, it is a meticulously in-depth documentary that U2 fans everywhere are sure to treasure. Highly recommended. 136 minutes, 4:3 format.
