

- **"Rolling Stones -- Mick vs. Keith: The Strange Case of Jagger & Richards"**(2012) Although the Rolling Stones have clocked 50 years together, Jagger and Richards have had to tolerate each other a fair bit longer than that. This two-disc set takes a unique and previously uncharted look at the relationship and music produced by Mick and Keith during this near lifetime of close association, and in so doing, reveals much about one of the most curious partnerships of the rock age.
