

**Black Hollywood: Blaxploitation and Advancing an Independent Black Cinema**

Release date: May 19

Details: 1984, MVD Entertainment Group

Rated: Not rated

The lowdown: A documentary that explored the role actors and filmmakers at a time when they were scarce in the industry and also looks back at the limited opportunities afforded black performers before that time.

The movie is an interesting social and cultural look back. It features a strong digital transfer.

Don't miss: No extras.
