### Live from Tokyo - Indie Underground Rock Doc

[LIVE FROM TOKYO - a documentary about underground music - Trailer](#) from [ingenious, inc.](#) on [Vimeo](#) .

*"Directed by U.S. filmmaker Lewis Rapkin, Live From Tokyo is a fascinating documentary that takes viewers through the back streets in Shinjuku, the intersections in Shibuya, the alleys in Koenji, and all over Tokyo , as it highlights the innovative musicians that create the city's multi-faceted underground music scene. Tokyo 's reputation for an overwhelming variety of global information, media-saturated urban environment and cutting edge innovation, makes it the perfect sample for addressing a new outlook on music culture.*

*The film explores this eccentric music culture set within*
