## **MUDHONEY DOCUMENTARY DUE ON DVD FEBRUARY 19**

Filmmakers **Ryan Short** and **Adam Pease** dig up all the dirty little secrets and spotlight all the highlights associated with Seattle scene pioneers **Mudhoney** on the upcoming documentary *I'm Now: The Story of Mudhoney*, available on DVD February 19. The film follows the influential group's 25-year career, from their nascent days in the aftermath of the breakup of **Green River**, through the band's most recent tour. Watch a trailer for the film [here](#).
