

**Various Artists - *Reggae Kulcha* 4/3**

O's Notes: Reggae Kulcha is a compilation focused on reggae music. It comes from Kulcha Shok Muzik, A radio station and online source for top reggae music, events & culture in Florida and the Caribbean. The beats are pumping from the opener, "Miami Vice" by Jahfe more of a club based tune. There is also an abundance of traditional reggae complete with snappy guitar, organ and solid bass lines like "Rain" by Rootz Underground. This is a reggae festival that will delight fans of the genre.
