

Dark Chocolate - *Best of Dark Chocolate* 4/4

O's Notes: This collaboration includes thirteen of the best songs recorded by Dark Chocolate, a contemporary jazz band under the direction of percussionist Clay Henry. The program includes selections from *Island Gypsy* ('08), *Unwrapped* ('09) and *Caper* ('11). Among the best tracks are "Moonrise", "Cafe Society" and "One The Train". Their music is as good as yes, Dark Chocolate and this is a very good sampling.
