

**Graham Parker - *Rockpalast* 3/3**

O's Notes: Guitarist Graham Parker & The Rumour serve up some classic danceable rock and roll at Rockpalast 1978 + 1980. Parker is a British songwriter with a wealth of accolades and a raspy soul/punk voice that has been mimicked by many. The Rockpalast Collection captures rock & roll at its peak with thirteen titles included DVD, one rock fans should seriously consider.
