Giveaway – Janis Joplin – Final 24: Her Final Hours DVD – 2 Winners – Ends 8/9/10

July 25, 2010

[Janis Joplin](#)

[Final 24: Her Final Hours DVD](#)

MVD Entertainment

Street date 4/20/10

Documentary – 60 minutes

Description: *This compelling documentary series unlocks the hidden secrets, psychological flaws and events that result in the tragic deaths of famed notorious and the iconic. Every episode maps out the final 24 hours of a different famous person's life. The series weaves the star's back-story with events from their last day, which lays bare the threads of fate that led inextricably from childhood to the moment of death. These are no ordinary biographies. They're psychological detective stories attempting to uncover the mystery of why the celebrity died. This episode focuses on the life and death of Janis Joplin, the undisputed queen of rock and roll. It explores how her drug addiction and a cut of nearly pure heroin took her from the throne to her grave.*

Janis Joplin made a huge impact during her too short music career. She paved the way for

many artists who came after her.

The dvd contains some information that I already knew and some that was new to me. Like the other Final 24 dvds, I found it to be very respectful.

RIP Janis Joplin.

Her music was very unique and it is a shame we lost her so early.

Janis Joplin is one of a kind. I was happy to hear that there is now a movie about her life in the works.

I love love love love love (I could go on and on) Janis. I've loved her since I was 12 years old. I hope that she is at peace. I think she had a good soul and just took too much abuse, and her broken heart killed her.

I'd love to win this.

I'll make sure to watch it either way.

RIP Pearl.

I've been a huge fan of Janis Joplin ever since I discovered her album, Pearl, in the early '70s. That woman could belt out a song.
