## Giveaway – Keith Moon – Final 24: His Final Hours DVD – 2 Winners – Ends 9/1/10

August 19, 2010

[Keith Moon](#)

### [Final 24: His Final Hours DVD](#)

MVD Entertainment

Street date 4/20/10

Documentary – 60 minutes

**Description:** *This compelling documentary series unlocks the hidden secrets, psychological flaws and events that result in the tragic deaths of famed notorious and the iconic. Every episode maps out the final 24 hours of a different famous person's life. The series weaves the star's back-story with events from their last day, which lays bare the threads of fate that led inextricably from childhood to the moment of death. These are no ordinary biographies. They're psychological detective stories attempting to uncover the mystery of why the celebrity died. September 6, 1978: Keith Moon is one of the most outrageous rock'n'roll performers in the world. As the genius drummer for The Who, wild-man Moon is a non-stop party animal. In 24 hours, however, the party will be over... And Moon will be dead. Featuring archival footage, dramatic reenactments, and interviews with his family and closest companions, Final 24 documents the final moments of this rock star's life.*

I had heard that Keith Moon was quite the wild one, but didn't know many of the details of his life before I watched this dvd. Final 24 was informative and done in a respectful way.

Keith Moon had a huge impact on the development of rock music – his influence lives on.

RIP Keith Moon.
