John Lennon: Rare and Unseen (MVD DVD, NR, 75 min.). This ongoing series presents seldom-seen TV performances and appearances by various artists. This Lennon disc includes the 1969 "Man of the Decade" appearance; "Aquarius," not aired since the 1970s; the UK-only "Weekend World" appearance; and the DVD debut of a "Frost" appearance. There also are interviews with Phil Collins, Len Goodman and Tony Barrow. **Grade: B-**
