Inbred Redneck Vampires

2010 (Completed in 2004) - 108 mins. - Not Rated
 D: Joe Sherlock
 C: Rob Merickel, Carrie Davis, Bill Bradford, Felicia Pandolfi

A vampire and her familiar on the run from a hunter end up hatching a plan to turn the townsfolk of a small town into a vampire army.

A pretty darn awful film! Connoisseurs of bad movie cinema will rejoice at the hideous dialogue, the murky presentation, the amateurish quality of the the acting. Filled with plenty of offensive stereotyping and situations. Nothing about this film is done in good taste as it reaches to take bad movie cinema of this decade to a new low, but that is exactly what people who are into this type of film will love about it.
