INBRED REDNECK VAMPIRES - MVD

Inbred Redneck Vampires finds sexy vampire Catherine, played by Felicia Pandolfi, and her familiar Lendel, played by Warren E.B.B., on the run from a ruthless vampire hunter. They hide out in the small redneck town of Backwash, where Catherine hatches a plan to turn the backwoods folk into an army of her vampire slaves. The film isn't award quality, but it is rather interesting and will make you chuckle from time to time. Worth the watch!
