### Synopsis

A sexy vampire on the run transforms the redneck residents of a backwater town into her own personal army of bloodsuckers, and prepares to do battle with the tireless vampire hunter who has vowed to drive a stake straight through her heart. Meanwhile, local matriarch Ma Poissier welcomes French interior designer Jean-Claude Les Eaux into her home after winning a complimentary room redecoration. But try as he might, Jean-Claude just can't figure out a way to fit in with the good old boys around town. With the annual Tripe Days Festival drawing near, everyone prepares to enjoy their favorite delicacy despite the dangers that seem to lurk around every corner. ~ Jason Buchanan, All Movie Guide
