

# A Little Dead Podcast

A Little Dead Podcast features reviews and commentary for science fiction, zombie, horror, kung fu and super hero movies, video games, books and comics. We also have contests where we give away movies and books directly from the artists, authors and directors. It's your place for full...frontal...nerdity.

## Episode 61 - "Night Of The Living Dead: Reanimated" (2009)

This week I watched "Night Of The Living Dead: Reanimated", and then spoke with two of the producers for the DVD, Peter Gutierrez and Rob Hauschild. And Misfitboy gets us In The Zone with the season four episode entitled "Miniature".

And we have a brand new contest for you, brought to you by the people of Fewdio!
