## NIGHT OF THE LIVING DEAD: REANIMATED

News: Crowd-Sourced Cinema

A motley crew of no less than 500 zombie-, gore-, horror-, dungeon-, and dragon-inspired creative souls collaborated on this **crowd-sourced remake of the 1968 cult classic**, re-interpreting their favorite scenes by any animated means necessary. Style and process were no object, and the result is a glorious **mish-mash of monochromatic melodrama**. At least that's what we get from **the trailer** – to see the whole thing y'all need to **BUY it on AMAZON** of all places. How very 2004! Still there's not much money in amateur gore these days - and the rent won't pay itself...
