## ***“I Need That Record” DVD tells story of closing record stores***

April 16th, 2010

Tomorrow is Record Store Day, but no matter where you live in Canada you've probably seen a few record stores close down in your town. A new film called "I Need That Record!" chronicling the demise of record stores everywhere is coming out on DVD tomorrow and the director, Brendan Toller chatted with Tim tonight via skype.

Check out what Brendan has to say about the demise of record stores and why you should buy a record on Record Store Day.
