**CLIFF RICHARD - RARE  
AND UNSEEN (DVD)  
*MVDvisual***

Gain an inside look at the talented, charismatic, singer-songwriter and actor Cliff Richard — the man who dominated the British popular music scene in the late 1950s and early 1960s, before and during The Beatles' first year on the charts. Rare footage featuring original rare film and videos of the singer, newsreels and photographs from private collections. Richard certainly made his mark in the entertainment industry. He played, recorded and conquered the planet for five decades, and is the only artist to have had a number one single in the UK from the 1950s through to the 1960s. (60 mins.)
