Is Paul McCartney Really Going To Be 70 Years Old This Month?

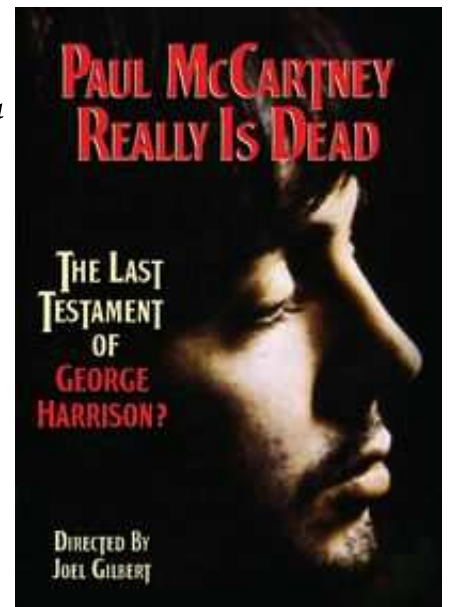

by [Gary Pig Gold](#)

In the summer of 1966, a man whose name arrived at the Hollywood offices of High 6 Entertainment from London with no return address. Inside were two mini cassette audio tapes dated December 1966 and labeled The Last Testament of George Harrison.

The voice eerily similar to Harrison's tells a shocking story: Paul McCartney was killed in a car crash in November of 1966 and replaced with a double.

Paul McCartney Really Is Dead: The Last Testament of George Harrison the mysterious voice on the tapes reveals a secret Beatles history chronicling McCartney's fatal accident, the cover ups, dozens of unexplained clues, and a dangerous cat and mouse game with Mal Evans, the Beatles' MI handler, as John Lennon became increasingly reckless with the secret. The voice also claims that Lennon was assassinated in 1966 after he threatened to finally expose Paul McCartney as an impostor.

High 6 Entertainment has investigated this stunning new account of the conspiracy to hide McCartney's tragic death and produced this unauthorized documentary that includes newly unearthed evidence. The mysterious voice on the audio tapes narrates the entire film in what may prove to be the most important document in rock and roll history, leaving little doubt that *Paul McCartney Really Is Dead*.

Nevertheless, as undoubtedly and forevermore convincing as this stunning film may certainly be, yours quite truly has in fact gone totally metric to fearlessly uncover, believe them or not.

Ten More Reasons Paul is Really Really Dead
