Paul McCartney Really Is Dead: The Last Testament of George Harrison (DVD)

NEXT RELEASE
THE JOHN HENRYS
White Linen

Until now, the 'Paul is Dead' mystery that exploded worldwide in 1969 was considered a hoax. However, in this film, the voice on the tape reveals a secret Beatles history chronicling McCartney's fatal accident, the cover up, and dozens of unknown clues exposing 'Paul McCartney' as an imposter!

Highway 61 Entertainment has investigated this stunning new account of the conspiracy to hide McCartney's tragic death and produced this unauthorized documentary that includes newly unearthed evidence.

The mysterious voice on the audio tapes narrates the entire film in what may prove to be the most important document in rock and roll history.
