Pee-Wee's Playhouse – The Complete Collection

What's today's secret word? Pee-Wee! The comedic and imaginative talents of Paul Reubens and all the gang of *Pee-Wee Herman's Playhouse* series are now being re-released in a box set that captures every single episode...45 in all. If that's not enough, a third DVD is included when you need to get your holiday glow on and that is *Pee Wee's Playhouse Christmas Special*. So, as his theme song says, Let the fun begin...uhhhhhh! Just find a darkened home theatre, get comfortable and pull out your... hmmm, uh....popcorn and enjoy!

Available on October 19

Kylie Minogue: Rare and Unseen

One of our favorite Aussie imports and musical superstars, Kylie Minogue is being presented in never-before-seen footage and previously thought destroyed interviews, television appearances and concert footage. *Rare and Unseen* also includes archival footage and stock from the ITN archive. The DVD is a delightful treat for anyone who enjoys Kylie's talent and persona. Ms. Minogue is set to host the AMFAR Charity Gala on October 26.

Available on October 19

The Psycho Legacy

Check into The Bates Motel this Halloween season for an exhaustive examination of Alfred Hitchcock's horror classic *Psycho* and it's spawn of numerous sequel films. Over 85 minutes on this DVD include extended and deleted scenes, a full panel discussion with star Anthony Perkins, rare footage of behind-the-scenes footage with director Alfred Hitchcock and numerous actresses who felt the wrath of "Mother" in sheer terror. After viewing, why not take a nice hot shower alone...just not at The Bates Motel.

Available October 19

A Question of Manhood

Respected author Robin Reardon's newest book is a riveting exploration of two brothers...one straight and one a closeted gay. Their relationship as brothers is explored with the setting for the story, taking place in late 1972 as the Vietnam War draws to a dismal close. Tragedy strikes and the straight brother is put into a situation where he discovers he has a lot to learn about growing up as he becomes friends with another gay man who is employed in the family business. *Next Magazine* in review said, "...her latest novel is another reminder that words on a page can be more far reaching than those spoken with a megaphone. **Available now**
