A bounteous buffet of musical mixtures

They recorded most of the album at their home studio, except for Jeff Gretz's drums, David Nelson's trumpet and Jeff Nichols' sax. The album is a rock opera about a Wall Street trader named Yossarian who's driven toward success until it warps him. His rescue, return and final escape to fulfillment take place, but to say more would spoil the story for readers.

Highlights include the opener-overture "Looks Like I Made It," the vocoder-driven "The Catch 22," the fuzzy "Rabbit Hole," the spooky-slow "Losing Everything," and much more. This is an album that requires intense listening, but I recommend it highly for those who'd enjoy many musical genres spread over an interesting, politically charged story.

'Bowlive: Live at the Brooklyn Bowl,' Soulive (Velour Music/MVDvisual, HHHHH)

This March 22 DVD features the members of Soulive (guitarist Eric Krasno, drummer Alan Evans and organist Neal Evans) who occupied a newly opened warehouse-turned-music venue in Brooklyn for a two-week residency in March 2010. They called musical conspirators to join them--creating a guest lineup with guitar virtuosos (Derek Trucks, Warren Haynes), hip-hop names (Questlove, Rahzel), and some of the most inventive improvisers in modern rock 'n' roll including Robert Randolph. The Brooklyn Bowl became the Mecca for distinct yet like-minded musicians, where they returned night after night, donning bowling shoes and sharing fried chicken. The common thread uniting these ingredients quickly became palpable -- from transcendental improvisations to the homey, playful atmosphere, the Soulive residency was like nothing that had come before it.

The film is 122 minutes long, and can be viewed with or without interviews (where the music flows without interruptions). Highlights include joyous collaborations with featured vocalist/keyboard dabbler Nigel Hall, Susan Tedeshi and Derek Trucks' smoldering "Soul Serenade" and Warren Haynes leading "Born Under a Bad Sign."

If you like soulful music of nearly every type, you'll enjoy this presentation.

Ricky Flake, a former punk rocker and music fan who lives in Biloxi, can be reached at rickyflake@bellsouth.net.
