DVD News: Aaah! Zombies! & Assault of the Sasquatch**Aaah! Zombies!**

"Zombies. You know 'em, you love 'em. But what do they think of you? In this hilarious twist on the Classic Zombie Tale, we see the world through Zombie eyes when a barrel full of Toxic Goo transforms four friends in to the Walking Dead, and suddenly, it seems every one else has gone mad. In the most unique Zombie story in years, the Zombies embark on a bumbling quest to find the "Truth", completely unaware of their rotting undeadness. After all, Zombies are people too."

Assault of the Sasquatch

"When a merciless bear poacher is caught and arrested deep in the woods of a state park, he and his truck are taken to a neglected precinct in the heart of a dying city. Unbeknownst to the authorities, the impounded truck holds a deadly cargo in the form of the legendary Sasquatch! Now, stuck in an unfamiliar world, the creature will let nothing and no one stop it from coming face-to-face with the unscrupulous man who ruthlessly ripped it from its environment. Taking an inventive and action packed approach, "Assault of the Sasquatch" breaths new and exciting life into the immortal legend of Bigfoot."
