EXCLUSIVE PICS: "AAAH! ZOMBIES!!"

A different look at the undead is provided by AAAH! ZOMBIES!!, which staggers onto DVD today. To mark the event, we got ahold of a few exclusive photos that you can check out after the jump.

Directed by Matthew Kohnen from a script he wrote with Sean Kohnen, AAAH! ZOMBIES!! is about a couple of bowling-alley slackers and their girlfriends who are transformed into ghouls by errant military toxic waste. The movie adopts two points of view: that of the newly turned quartet, who see themselves as normal, and everybody else, who see them as bloodthirsty monsters. The DVD, released by [Level 33 Entertainment](#), presents the movie in 1.78:1 widescreen with 5.1 Surround audio, accompanied by a zombie music video from indie rock band Random Task Collective. See the trailer below the pics, and check out the movie's official website [here](#) and Facebook page [here](#).

At least this parody is a lot more funnier than what came down the pike of late. Granted, it's no SHAUN OF THE DEAD by a long shot, but it could've been worse. Sounds like a choice enough rental to me.
