**David Bowie: Rare and Unseen** (2009) A look at the British actor, musician and producer who has lead the pop music scene for five decades. Most famous for his alter-ego, the ostentatious, androgynous "Ziggy Stardust" during the glam-rock era of the early 1970s, Bowie has continually reinvented his music and image and is regarded as an influential innovator. Uses missing-believed-wiped archive interviews and rare and unseen footage. \$14.95. (MVD Entertainment).
