 May 2011

(<http://rockandrollreport.com/wp-content/uploads/2011/05/BirthdayBob.jpg>)A mere twenty-eight seconds into Joel Gilbert's extensive new *Bob Dylan Revealed* documentary, the subject matter himself warns us "There's many sides to the coin, y'know, and you haveta really, uh, the longer you go on, the more sides you show that are, that are, that are there to be, uh, unraveled."

So in between sessions with Daniel Mark Epstein's 496-page *The Ballad of Bob Dylan*, and the actual man's actual *Original Mono Recordings* box, I spent the month of Robert Allen Zimmerman's 70th (!) birthday pondering that...
