**"Bob Dylan Revealed"**

**Looking Back at Dylan**

**Amos Lassen**

**It is really hard to believe that Bob Dylan is 70 Years old and that he has been singing for half a century. We don't know much about Dylan as he tends to keep to himself. He has been called the "voice of the generation" and here is an in-depth look at the man.**

**The movie contains interviews, photos and film which have never been seen before. This documentary is a biography of Bob Dylan and contains some of the biggest names in music including songwriter Al Kasha, The Band drummer, Mickey Jones and others.**

Dylan’s 1974 tour is seen in photos and then his 1975 Rolling Thunder Review tour is noted for the hit “Hurricane”. Later Jewish Dylan became involved with the Vineyard Christian Fellowship Church and produced three gospel albums. Then he returned to Judaism.

Also on the DVD is Dylan’s Never Ending Tour that began in 1992 and continues still to this day. We hear intimate stories about Dylan and we finally get a look at the enigma of Mr. Tambourine Man himself. Dylan’s drummer Winston Watson (love that name) was in over 400 shows with him and helped him launch the Never Ending Tour. He filmed a lot of Dylan and we get to see it here and it is wonderful.
