## Magazine

POSTED BY BUNKY ON JUNE - 2 - 2009

As the new issue is our 30th, this time around, we decided to do something special. A celebration of sorts if you will. Not only is the magazine the biggest that we've ever produced (seriously, it's huge), but we've also got two brand new compilations, courtesy of Engineer Records and No Idea Records, available for download as well, and best of all, they're all FREE. That's right folks, FREE. So download the magazine and both comps, just the magazine, just the compilations, the magazine and one compilation, hell download whatever variation you want to, it's all FREE! Enjoy the magazine and enjoy the music...
