[DWARVES: The Metal-Army Interview](#)

Tuesday, May 3rd, 2011

DWARVES are one of the most raucous punk bands of all time and charismatic frontman has been beating the punk spirit into the hearts of fans around the globe for years now. Finally with the little naked guy???

In 2004 The Dwarves Died (Dwarves Must Die) and you produced, wrote books, made other records, Why now are the Dwarves Born Again?

It was time to resurrect not just the icon HeWhoCanNotBeNamed, but the whole damn crew from 25 years of debauchery. We spared no expense and went back to the Blood, Guts & The aim was to be the only punk band left that never makes a bad record and even the fans who thought we got too crazy with Dwarves Must Die are telling us we really scored big wit

Also, it's the only way we can still get so much pussy now that we're all over 80 years old.

With every record you've had different members and guest, Like The Offspring's Dexter Holland, Nick Oliveri, and drummer to the stars Josh Freese, What's the lin

Dwarves | Metal Army America

All the guys mentioned above and more including Latin Josh Freese and Dexter Holland, female singer Stacey Dee, and so many more I can't remember. The idea was to elaborate or wound up going heavy on the guitar and hitting the punk button a little more this time. The Dwarves fans have spoken!

“15 Minutes” the second track on Born Again is an obvious verbal beating on today’s younger bands.

You also touched on this in The Dwarves Must Die’s “Massacre” – Is there anything from today that you enjoy?

The Dwarves hate all other bands equally- young, old, dumb, smart, indy or sellout. Personally, I hear new music I like all the time, but it's usually one of those teen girl summer jams or

You are playing this year’s Punk Rock Bowling. Is there anyone you excited to see or bowl with?

We are getting there so late I don't think we can bowl. Last time I got to bowl next to the Varla team which was a complete hard on for me. This years line up is good, lots of UK band

The naked Dwarves man on your record covers VS naked Nevermind baby?

Our friend Bobby Faust could beat the shit out of that baby. And I hope he does!
