“By tapping into the primordial urge of mankind—the very source that provided the fuel for their earlier classics—the band has delivered an edgy and thought-provoking record that neither retreads their past work, nor abandons it altogether. ★★★★★”

—**PUNK NEWS**

“...judging by Are Born Again’s waltz with punk, hardcore, rock’s golden age, drugs, alcohol, sexual deviance, murder, suicide and crotch-kicking authority, they aren’t slowing or mellowing”

—**ALTERNATIVE PRESS**

“It’s the best album the band has made in years; crude yet catchy (and not above flinging yet more jokes about sluts and AIDS), Born Again may not reinvent anything—but it shows that the Dwarves still know how to shit out potent loads of disgusting fun.”

—**THE ONION AV CLUB**

“At just over 30 minutes and 18 tracks every song on this record is really good, there are no duds here.”

—**STEREOKILLER**

“Twenty-five years into their career, the Dwarves are still delivering the hilariously nasty goods on Are Born Again, proof that this San Francisco-based band is more tenacious than the crabs undoubtedly festering under guitarist HeWhoCannotBeNamed’s always-exposed ballsack.”

—**COWBELL**

“...at least you can still rely on The Dwarves to deliver the goods.”

—**ROCK-A-ROLLA**

“Album of the Year,
the big dog’s cajones!”

—**Über Rök (UK)**
