JOHNNY WINTER: LIVE AT ROCKPALAST (\$19.96; MVD)

DIZZY GILLESPIE IN REDONDO (\$14.96; MVD)

DVD remains a godsend to music lovers. Whether it's a concert film, a documentary or a TV show with great musical moments, DVD lets you enjoy the entire event and then rewatch the musical highlights with ease.

Johnny Winter in 1979 needed to prove the blues still mattered to him after years of being lured by rock stardom; hence his focus on this German TV concert.

Back in 1986, Gillespie had a rare chance to capture his sound on film; it's also not one for the ages but fans will enjoy the chance to see him on film anyway.
