One of five limited edition, talking Johnny Winter Guitar God figures and a copy of his 'Live at Rockpalast' CD can be yours free from MVD Entertainment Group and Ultimate Classic Rock.

The figure (don't call it a doll!) of the legendary master blues guitarist stands at 7 inches tall and is limited to 1500 numbered units. It comes in a window box, with Johnny not only accurately sculpted right down to his signature black hat, boots, and guitar, but also also featuring movement at both the arm and head, and capable of yelling "Rock N' Roll" [at the push of a button!](#)

The CD captures Winter [live in 1979](#) on Germany's famous Rockpalast TV show, performing the blues like only he can, and blazing through killer covers like the Rolling Stones' 'Jumping Jack Flash.' All you need to do to win both of these great prizes is to sign up on the form below:
