"Nazi Hunters" (MVD, 2010, two discs, \$19.95).

Documentary miniseries about secret agents and "avengers" who, after World War II, hunted down and brought to justice such elusive Nazis as Klaus Barbie and Adolf Eichmann.

Well-constructed Canada-Brazil co-production consists of 45-

minute episodes utilizing testimonials, black-and-white newsreels and photos, and re-creations with actors.

Extras: widescreen, eight episodes
