Giveaway – Nazi Hunters DVD – 2 Winners – Ends 11/2/11

October 22, 2011

[Nazi Hunters DVD](#)

The Most Evil Men in History Brought to Justice

Release date 10/25/11

Synopsis: *It's one of the greatest, true detective stories ever. Featuring eight spellbinding missions, Nazi Hunters tells how a select band of secret agents and avengers hunted down some of the most evil men in history... And finally brought them to justice. Intense, visceral, and narrated by real-life Nazi hunters, every episode tells the story of one electrifying mission. And, from Klaus Barbie's dramatic pursuit in Bolivia, to the audacious Mossad operation to kidnap Adolf Eichmann in Buenos Aires, recounts how the Nazis finally met their nemesis.*

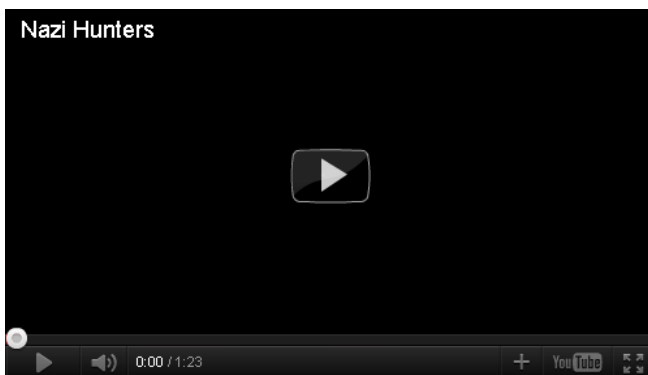

This part of history is always difficult for me. The atrocities that occurred were just horrendous and it really wasn't that long ago. There are many people alive today who were very directly impacted by the Nazi crimes. If only this were fiction instead of reality....

The Nazi Hunters documentary contains 2 very interesting discs that are divided into 8 episodes. Each one features a different infamous man.

- **Herbert Cukurs**
- **Adolf Eichmann**
- **Klaus Barbie**
- **Erich Priebke**
- **Joseph Mengele**
- **Kurt Lischka**
- **Paul Touvier**
- **Gustav Wagner/Franz Strangl**

The documentary is unsettling. The crimes committed by the Nazis were horrific. I'm not sure how it would feel for the families to know that these men had been hunted down and killed. Perhaps they would feel that justice had been served. Perhaps they would feel relief that these men could no longer harm people. Unfortunately, it cannot bring back the thousands of lives that were lost.

I do hope that this dark chapter of history will not repeat itself.
