EVIL UNITED: Debut Album Details Revealed - Aug. 9, 2011

EVIL UNITED, the Austin/San Antonio, Texas-based band featuring **Jason McMaster** (**WATCHTOWER**, **DANGEROUS TOYS**, **BROKEN TEETH**) on vocals, a double guitar assault of **T.C. Connally** (**PB/DC**, **CULT TO FOLLOW**) and **John Valenzuela** (**PB/DC**, **URIAL**) as well as the brutal rhythm section of **Don Van Stavern** (**RIOT**, **S.A. Commented **McMaster**: "I think there are a lot of bands playing this type of metal right now, but I believe that **EVIL UNITED** has something different about it. There is a wide range of influence, lots of peaks and valleys to explore, without losing any of the extreme.

"It's a pleasure to work with Texas metal alumni such as these [guys](#); they shred but they are paying attention to the thrash and power as well as the melody."

01. **Blasphemer**
02. **Dawn Of Armageddon**
03. **Speak**

they really do seem to offer something that even the new revival bunch can't seem to tap into.
I can't wait to get this cd.

Hmm....I bought this entire album on iTunes months ago with a bonus track. Unless it is being released on hard copy now? Either way...damn good band.

Though I stay up on the scene I have no interest in buying records by most of these new bands! THIS I will have to buy! Jason MacMaster is amazing no matter what he does! And I still have WatchTower's "Energetic Dissassembly" on LP! I must buy this, whether it's Broken Teeth, Dangerous Toys, etc, Jason rules!
