[Iggy and the Stooges: Raw Power Live – In the Hands of the Fans \(MVD Visual\)](#)

This live DVD is a fan’s dream come true – for multiple reasons. The most obvious is the fact that it’s a blazing performance by seminal proto-punkers The Stooges with Iggy himself at the helm. But there’s also the fact that this live document is the result of six fans who won an online contest. The prize? Record the show and interview The Stooges. Man, how awesome is that? I was quick to pick my favorite contestant of the six winners during the intro piece at the beginning. The DVD also gives us examples of which shots of this doc came from whose camera. Neato. Seeing Iggy and the guys kicked back in the behind-the-scenes setting, hanging with fans and talking about music is a cool thing. But that’s just the last part. I’ve saved the best for last: the concert itself. Man, but the band was on fire for this show. Wailing out a lethal fusion of garage, punk, psyche and blues rock with as much vitality as if this were “1969”, the band conveys so much energy, passion, fervor and INTENSITY. It’s a grab-you-by-the-collar sort of show. So, go get grabbed!
