Being one of the most dynamic acts in all of show business, Iggy & the Stooges are well represented in videos and live-concert films. Even in his 60s, Iggy can kick it with the best of the young rockers. **"Raw Power Live: In the Hands of the Fans"** is a different breed of cat in that six fans were given cameras and given complete access to film the proceedings. Fortuitously, it was the September 3, 2010, concert, at the All Tomorrow's Parties Festival, where the band committed to performing all of the songs from its 1973 "Raw Power" album. The bonus features are dominated by material submitted by the winning contestants.
