

· *Lust for Vengeance* (2001) (Full Circle Filmworks)

Oy, vey. It seems that whenever an unknown independent filmmaker tries to make their own version of an Italian *giallo*, the results are less-than-appealing. In the case of *Lust for Vengeance*, the results are less-than-tolerable: a no-budget mess that only insults even the very worst of the *gialli* by comparing itself to the hip murder mystery genre. Strewn together with no apparent rhyme or reason, even the softcore sex and nudity will have you pleading with Fate to miraculously withdraw this movie from existence. Worse still, the already-awful transfer of the film takes a 1.33:1 full frame image and squeezes in into a 1.85:1 widescreen ratio. Talk about quality!
