### February 2012 Reviews

NEW YORK DOLLS - Lookin' Fine On Television: Great DVD this one! This is made up of rare live interviews and live clips filmed by Bob Gruen and Nadya Beck in the 70's. Some of the visual is dated as expected but on most part the quality is top notch. Much of this I'd never seen before and I expect most New York Dolls fans will say the same. Tracks featured on this release include 'Jet Boy', 'Bad Girl', 'Subway Train', 'Lookin For A Kiss' and 'Personality Crisis'. It was great hearing some of these tunes again as it's been a fair while since I had a New York Dolls session at home. With this DVD comes an ultra rare interview in 1976. That is certainly worth checking out! If you're a New York Dolls fan this is certainly one item you should be adding to the collection. 8/10
