Film Reviews: Thankskilling (2009) - By Duane L. Martin

Posted on Thursday, November 03, 2011 @ 05:19:04 Mountain Daylight Time by Duane

I'm not

going to start this review as I usually do, with a description of the film. I'm going to start it out by saying that this is quite possibly the stupidest movie you'll ever love. I mean seriously, you'd have to go a long way to find a movie that can be this utterly stupid and this hilariously awesome at the same time. This is a movie you need to own and watch with your family and friends...often. But what's it about, and what makes it so insanely awesome? Well...

It seems that back in the pilgrim days, an Indian medicine man felt that his people had been wronged by the pilgrims, so he used a bit of necromancy to bring a demonic turkey (named Turkie oddly enough) back to life
