Nadya and Bob Gruen DVDs Photographer Bob Gruen is best known for stills of Lennon, Kiss, and the New York Dolls, but he and wife Nadya also shot film; [Lookin' Fine on Television](#) captures the Dolls with documentary and concert footage as well as slyly staged scenes. The Gruens' masterpiece is *Ike & Tina: On the Road 1971-72*, featuring stunning performances shot from the wings and amazing intimate footage—Tina at home and arranging in the studio, Ike saying volumes with stoic near silence.
