## "Elvis Found Alive" CD

A clever marketing tool to coincide with the release of the film of the same name, this is a set of "15 new recordings" from the King. Here, we are treated to Elvis-styled covers of The Police ("Every Breath You Take"), Michael Jackson ("Wanna Be Startin' Somethin'"), and Garth Brooks ("The Dance"), among others. By my ears, this is a novel and fun set of impersonations, staying fairly true to the traditional, classic Elvis sound. He updates "his own" classics like "Heartbreak Hotel" and "Blue Hawaii", even. The electro-tinged version of "Hawaiian Wedding Song" is pretty awful (even painful), and the closer, "Elvis Is Back Rap" proves that this release is firmly tongue-in-cheek. A novelty, at best, but a fun and playful one. [\(MVD Audio\)](#)
