

· *Clown Hunt* (2010) (MVD Visual)

Sure, most grown folks are scared of 'em — as are a lot of undersized ones — and the thought of seeing one often causes a primordial, barbaric rage to stir within. Some folks have even taken those feelings to heart: hunting large droves of clowns (wait, what would the collective noun be on clowns — a herd, a chuckles, a shakes?) every year during clown season in Texas (naturally). And thus, we have *Clown Hunt* — the no-budget tale of a dark comedy that finds a group of hunters out to bag their limit, only to discover that the legendary Albino Willie clown is loose in the area and determined to bag kills of his own. Alas, this one doesn't deliver like a film with this kind of premise should.
