

Clown Hunt

(<http://www.dvdsnapshot.com/wp-content/uploads/2012/03/MAR121937.jpeg>) **Official Synopsis:**

In the wilds of Texas, grown men gather to hunt the rarest game of all – Clowns. Once plentiful and common, now one must pay a hefty sum to hunt clowns, and for reason it's become an annual tradition. However this season, the appearance of Albino Willie, a rare albino clown, poses a special prize and danger!

Our Take:

Somewhere in an alternate-reality version of Texas a bunch of hunters have gathered to take part in the annual Clown Hunt, a regional competition to hunt the wild clowns that live in the area. I wish I were joking with that description, but I am not, and the entire film plays out far less entertaining than whatever mental image your mind has crafted.
