DVD Review: Clown Hunt

BY [PAUL CHAMBERS](#)— APRIL 13, 2012

POSTED IN: [ACTION](#)

Don't have much to say about clowns. Neither does "Clown Hunt." In the near future, clowns roam the Texas countryside in small herds. Hunters can get licenses to bag their limit. That's right! Shoot 'em dead.

I stuck with this low-budget film until the very last frame, hoping I could actually like the overall effort as some absurdist satire on how people can be cruel to people they don't understand. Let's face it. Clowns ARE a bit on the creepy side.

But, "Clown Hunt" is pretty much a dumb-ass movie about dumb-ass hunters. No underlying social commentary. Bummer! Grade: D-
