### FASTWAY/Ex-MOTÖRHEAD Guitarist FAST EDDIE CLARKE Interviewed By 'Rock Overdose' (Audio) - Sep. 22, 2011

Greece's [Rock Overdose](#) recently conducted an interview with **FASTWAY/ex-MOTÖRHEAD** guitarist **Fast Eddie Clarke**. The chat can now be streamed using the [audio player](#) below.

**FASTWAY** earlier this month inked a European deal with **Steamhammer/SPV**. The band's first studio album since 1990, "**Eat Dog Eat**", will be released on November 14 (three days earlier in Germany). The CD, which features new vocalist **Toby Jepson** (ex-**LITTLE ANGELS**), is described by **Clarke** as "by far the best thing I have done since the first **FASTWAY** album. This is classic rock at its best!"

Commented **Olly Hahn**, A&R representative at **Steamhammer**: "It's an honor to have **Fast Eddie Clarke** and his band on our label. He was THE guitar player in **MOTÖRHEAD** but also with **FASTWAY** he delivered awesome music. With '**Eat Dog Eat**' he's definitely back... probably better than ever!"

Formed in 1983, **FASTWAY's** self-titled debut album entered the U.K. charts at No. 43 and received very good reviews. One year later, "**All Fired Up**" was released and was a great success, thanks in no small part to high-profile support tours in the U.S. with **SCORPIONS** and **RUSH**. In 1985 "**Waiting For The Roar**" saw the light of day and was followed by dates with **AC/DC** on the "**Fly On The Wall**" tour. In 1986 **FASTWAY** wrote the soundtrack to the horror [movie](#) "**Trick Or Treat**" starring **Ozzy Osbourne** and **Gene Simmons**.

After 1986, **FASTWAY** released two more studio albums with a different lineup and issued several live and best-of LPs.

"**Eat Dog Eat**" track listing:

01. **Deliver Me** (4:41)
02. **Fade Out** (4:05)
03. **Leave The Light On** (3:55)
04. **Loving Fool** (4:30)
05. **Dead And Gone** (5:49)
06. **Sick As A Dog** (3:44)
07. **Freedom Song** (3:52)
08. **Do You Believe** (4:04)
09. **Love I Need** (4:37)
10. **On And On** (3:53)
11. **Only If You Want It** (4:06)

Fast Eddie is a badass.

Apparently the Motorhead lifestyle caught up with him and he had health problems at some point.

Warning: trying to keep up with Lemmy Kilmister can be hazardous to one's health.

Glad to see that he's making some music again. He's such a criminally-underrated guitarist.

That wasn't the reason Eddie left, it was all in due to Lemmy & Wendy O. Williams covering the song "Stand By Your Man" Lem wanted Clarke to be the producer of the tune. But Fast Eddie said he wanted no part of it. leading to his exiting from Motorhead.

I never understood the fuckin peons that said MOTORHEAD was a garbage band with sub par musicianship.All you have to do is actually listen to The Chase Is Better Than The Catch,Bomber,Overkill,The Hammer,Damage Case,Killed By Death ECT.Undeniably one of the greatest bands of all time,which Fast Eddie Clarke was a monumental part of.

I know...he discusses the incident in a video interview that's an extra for the "Lemmy" DVD.

I didn't say he left Motorhead for health reasons, but he did say that he did have to slow down on the partying, and was hospitalized at some point after he left the band.
