## DVD GIVEAWAY THE POINT: THE DEFINITIVE COLLECTOR'S EDITION

Harry Nilsson's *The Point: The Definitive Collector's Edition* is out now via Wienerworld – and we have 2 copies available to win! The animated classic returns to DVD with over 25 minutes of bonus features.

*A classic children's animated TV movie from the 1970s!*

An enchanting fable for the whole family to enjoy, with music composed and performed by Harry Nilsson and narration by Ringo Starr.

Directed by Academy Award-winner Fred Wolf, *The Point* tells the story of Oblio, a round-headed boy living in the land of 'Point', where, by law, everything and everybody had to have a point. Oblio, along with his trusty dog, Arrow, is banished to the Pointless Forest.

It'll capture the fancy of thoughtful youngsters who'll empathise with the little boy who finds points where he's told there are none and concludes, "if everything has a point well then I must have one, too."
