MVD Entertainment Group's Jinga Films Ltd. has announced Rhys Davies' **Zombie Undead** for North American DVD/VOD release on July 24.

Directed by Davies and written by Kris Tearse (who co-stars), this UK film stars Ruth King, Barry Thomas, Christopher J. Herbert, and Steven Dolton.

*"A terrorist detonates a dirty bomb in the heart of a densely populated city, unleashing a gruesome zombie plague that spreads like wildfire. Sarah's father was bleeding out, and she knew he would die if she didn't get him to a hospital fast. The scene that greets them on arrival is one of chaos. The floor, awash with blood, is covered with the bodies of the dying and injured; doctors dart back and forth, clearly overwhelmed. Sarah stumbles back, and her world fades to black. Upon regaining consciousness, she is greeted by the uneasy silence of a seemingly deserted building..."*
