New Film “Dreams From My Real Father” Claims Obama’s Real Father Was Commie Frank Marshall Davis (Trailer)

May 17, 2012

President Barack Obama’s real father is not Barack Obama Sr. (bottom right), but the late communist journalist Frank Marshall Davis (upper right), according to a wild new film. (Image source: [obamasrealfather.com](#)) A new movie by director Joel Gilbert alleges that Barack Obama’s real father was not the Kenyan goat herder of the same name but the Honolulu Marxist Frank Marshall Davis

A vertical stack of three advertisements. The top one is for "CitySights NY Double Decker Sightseeing Tours" with a blue and yellow background. The middle one is for "momAgenda" featuring a stack of colorful planners and an open one, with the text "get organized with style". The bottom one is for "amazon.com Something for Everyone" with a red camera icon and a "Shop now" button.
