An article at [Alex Jones' InfoWars.com on July 31, 2012](http://www.infowars.com/obamas-real-father-director-joel-gilbert-blasts-media-for-ignoring-bombshell/) (<http://www.infowars.com/obamas-real-father-director-joel-gilbert-blasts-media-for-ignoring-bombshell/>) reported that [Joel Gilbert](http://www.obamasrealfather.com/) (<http://www.obamasrealfather.com/>), director of [“Dreams from My Real Father](#)

http://www.amazon.com/gp/product/B007XW07CO/ref=as_li_ss_tl?ie=UTF8&tag=indigoindexco-20&linkCode=as2&camp=1789&creative=390957&creativeASIN=B007XW07CO”, is accusing all members of the media of violating the Journalist's Creed in their efforts to protect President Obama. According to Gilbert, he has proof that Obama's real father was a Marxist and the media has refused to publicize the information.

In a July 19 speech in front of the National Press Club in Washington DC, Gilbert reminded media attendees that the Journalist's Creed stipulates:

- That journalists must be public trustees with the full measure of responsibility to the public
- That accuracy and fairness are fundamental to good journalism
- That a single standard of truth must prevail for all
- That suppression of the news is indefensible
- And that journalism must be independent, unbiased by personal opinion, and always unafraid.

Video: [Dreams from My Real Father: Director Joel Gilbert at National Press Club, Washington DC](http://www.examiner.com/video/dreams-from-my-real-father-director-joel-gilbert-at-national-press-club-washington-dc) (<http://www.examiner.com/video/dreams-from-my-real-father-director-joel-gilbert-at-national-press-club-washington-dc>)

Gilbert then accused all journalists including ABC, NBC, CBS, MSNBC, the Washington Post, the New York Times, Newsweek, and Time Magazine, and even news websites like Talkingpointsmemo.com, of using lies and misrepresentations to protect what he calls “[Barack Obama](http://www.examiner.com/topic/barack-obama)”'s false narrative.”

Gilbert said he sent a free copy of his DVD “Dreams from My Real Father” to Talkingpointsmemo.com and they not only didn't report on it, they copied parts of it and put it up on YouTube so people could view it for free. He also accused Newmax.com of censorship and suppression of news because they pulled his advertising at the last minute, telling him that they'd decided they wanted “to move to the Center”.

According to Gilbert, the information included in his video will prove that President Obama isn't really who he says he is and that his entire history is a sham.

“All evidence points to Barack Obama building his political career upon a fairy tale.”

“There was no Obama family. He is not the son of a goat herder. His mother took him to Seattle when he was 3 weeks old, all the evidence is in. And the Kenyan was simply a sham marriage between Anne Dunham and [Frank Marshall Davis](http://www.examiner.com/topic/frank-marshall-davis/articles) (<http://www.examiner.com/topic/frank-marshall-davis/articles>). You'll have to buy the movie to see those photos but they are in the movie, we have intimate photos of the 2 of them.”

All evidence, says Gilbert, indicates that Barack Obama was raised and indoctrinated by Frank Marshall Davis (1905-1987), a [Communist party](http://www.examiner.com/topic/communist-party) propagandist,

during his formative years and all evidence indicates that Barack Obama, his entire life, pursued the dreams from his real father, according to Gilbert.

“Nothing is more important in this late hour than journalists living up to the journalists' creed,” says Gilbert.

“When speaking of the economy, Obama says, 'My opponent wants to go back to the policies which got us into this mess.' or 'The free market doesn't work.' The major cause of economic meltdown was the sub-prime mortgage debacle and Obama was in on the ground floor.”

According to Gilbert, when he was asked about his role at ACORN in the 2008 debates, Obama lied when he said his law firm only represented ACORN to sue Illinois to implement the motor voter act. Obama also represented ACORN in suing Citibank in 1995, forcing Citibank to lend to minorities even if they were unqualified borrowers. Acorn then wormed their way into the Clinton administration, convincing President Clinton to force all banks across America to lower their lending standards, which forced the economic meltdown 12 years later.

Gilbert says part of the socialist strategy that President Obama learned when he attended Socialist conferences in New York was to use minorities and the poor to collapse Capitalism.
